a mini guide for finding the best information on the internet fast and conveniently all sites are identified either as kid friendly or adults only plus there is a section in this edition on the wireless

celebrity chef stuart o keeffe and comedian amy phillips razz the real housewives in this gorgeous cookbook filled with recipes inspired

by iconic moments in the franchise's rich history with a foreword by Andy Cohen. *Cook It, Spill It, Throw It* is an immersive one-of-a-kind experience in a world we can't escape but let's face it, we don't want to. From the foreword by Andy Cohen, trends come and go, but watching rich women drink and catfight is forever, which is why, after more than a decade of airing the *Real Housewives* phenomenon, it continues to reign supreme in the pop culture stratosphere. Week after week, season after season, loyal fans watch the thrilling drama, the backstabbing, the gossiping, the screaming, the table flipping, the wine tossing. *Cook It, Spill It, Throw It* is a cookbook created specifically for *Housewives* fans. Chef Stuart O'Keefe and comedian Amy Phillips, long-time devotees themselves, have dreamed up an inviting menu served with a side of delicious snark, inspired by the series and its stars. The dishes and drinks evoke familiar moments of chaos from the franchise. Whether you're looking to make ponytail pulled pork or you want to comfort a friend in the Caicos with eggs à la française, there's a meal for you, and there are definitely plenty of drinks, including Hennessy. Things can happen, and the classic Sinker Stinger Sipper featuring gorgeous original photography and equally gorgeous recipes. *Cook It, Spill It, Throw It* is the must-have cookbook and companion for every *Housewives* addict.

No matter what anyone tells you, boat cooking is different from cooking ashore. The space is smaller, there's no grocery store 5 minutes away, you have fewer prepared foods and electric appliances, and food storage is much different. Despite cruising different oceans, we Jan and Carolyn both faced the same challenges: eating well while having time to enjoy all the other great aspects of cruising. We love to snorkel, swim, kayak, explore, and just sit and admire the view. We learned with the cookbooks we both had aboard and wished for information that wasn't available. Like when Jan ended up with a frozen chicken, complete with head and feet, and no instructions on how to cut it up. When we couldn't get foods such as sour cream, English muffins, spaghetti sauce, or yogurt, we adapted recipes to make our own. Other times we experimented with substituting ingredients. Maybe the result wasn't identical, but it was still tasty. We ended up with over 150 substitutions and dozens of make-it-yourself options. As we traded recipes and knowledge with each other, we realized we were compiling information that became the *Boat Galley Cookbook*. 800 recipes made from readily obtainable ingredients with hand utensils, including numerous choices to suit every taste, not just one cake but 20, 16 ways to prepare fish, 10 regional barbecue sauces, and so on. Step-by-step directions to give even non-cooks the confidence they can turn out tasty meals without prepared foods. Detailed instructions on unfamiliar things like making yogurt and bread, grilling virtually every food imaginable, preparing and cooking freshly caught fish and seafood, cutting up and boning meat, cooking in a thermos, and baking on the stove top, as well as lots of tips on how to do things more easily in a tiny moving kitchen. All this in an easy-to-navigate format, including side tabs on the contents to help you find your way and extensive cross-reference lists at the end of each chapter. Quick reference lists provide idea starters, suggestions of included recipes for such categories as Mexican, Asian, and Potluck. The *Boat Galley Cookbook* is designed to help you every step of the
